(please use the back of this sheet if you need more space for your answers)

Why do you want to participate in the New Bedford Whaling Museum apprenticeship program?

What is your past experience with the New Bedford Whaling Museum?

What holds a greater interest for you, history, science or arts? Why?

What science topics do you enjoy the most? (examples include cetaceans, biology, geology, insects, fossils, physics, chemistry, currents, food webs, botany, comparative anatomy, skeletons, medicine...)

If I could design my own exhibit, it would be about ____ because _____.

Can you commit to the time necessary to complete this apprentice program?

Please list any organizations or clubs at school of which you are a member. Please state the years you were involved and your position within that club — member, vice president, president, secretary, etc.

Please provide us with the names and contact information for two references, and a copy of your most recent report card.
